Sustaining the deliverIT service is paramount. So is making sure every library across the state receives fair and equitable delivery service. To reach these goals, the State Library is retooling deliverIT.

From July 3-July 16, while libraries across CT prepare to pilot the new delivery model there will be no service. deliverIT will resume on July 17.
Statewide Library Delivery Services

Our goal is to sustain this important program even in the face of budget cuts.

Sustaining the deliverIT service is paramount. So is making sure every library across the state receives fair and equitable delivery service. To reach these goals, the State Library is retooling deliverIT.

From July 3-July 16, while libraries across CT prepare to pilot the new delivery model there will be no service. deliverIT will resume on July 17.
